WHITE RUSSIAN NITRO

WHITE STOUT

Super Smooth & Decadent with coffee and vanilla.

Abide with The Nitro, or White Russian Nitro, if you're not into the whole brevity thing. White Russian Nitro is takin' er super smooth for all us craft beer drinkers out there. There's a beverage here that's for strikes and gutters; ups and downs. And, I don't know about you, but I take comfort in that. With coffee, vanilla and notes of chocolate, this is a beer that really ties it all together. But, well, that's just, like, our opinion, man.
