

SKULL WRAPPER IPA

— CROWN  SERIES —

You better have the physical and mental fortitude needed to wrap your head around this complex IPA. This bad boy has been hopped to Hell and back, melding the pithiness of Citra with the evergreen character of Simcoe and high alpha bitterness of Nugget hops to create a well-rounded hop bomb that needn't rely on boosted octane or any other form of imperialization in order to stand out from the pack.

ABV: 7.0% | IBU: 63

February Release
