CHAMPION BREWING CO. & BREWMASTER

STUPID STOUT IMPERIAL STOUT

This deep, dark, viscous brew stands up to other imperial stouts as well as the test of time, delivering defined, robust, chocolaty notes with a hint of hop freshness. As this beer ages, those big flavors mellow, leaving behind a smooth, balanced sipper. It's the perfect beer to warm up with as winter cold sets in, or as part of a vertical tasting session many years from now.
